"Go Ye Into All The World...."

Foreword

THE SAGA 1943 has gone to war! This is the first "Victory" issue of the annual publication of dear old B.C.S. The staff, beset on every hand with difficulties due to the national war effort, has striven to present a book worthy of its name and favorable to all. We have done our best under existing conditions. We hope the pages that follow are enjoyable now and in the years to come they will warm, with fond remembrances, the hearts of all who peruse them.

Lux In Tenebris

Lux in tenebris, Alma Mater,
Built upon the rock eternal,
Fountain rock of living water,
Kindled by the Light supernal,
With unceasing Power increasing
In whose light we see the light.

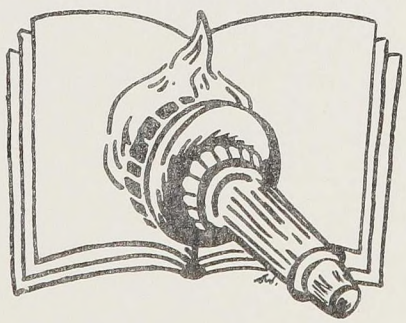
CHORUS

Lux in tenebris, Alma Mater,
Lux in tenebris, luce.

Lux in tenebris, Alma Mater,
May thy light be never dimmed;
Watch thou, therefore, Zion's daughter,
Keep thy lamp well oiled and trimmed,
While light giving, Light receiving
From the Fountain head of light.

Lux in tenebris, Alma Mater,
Into darkness light to carry,
Send thy sons o'er land and water.
Each a living luminary.
Self-consuming while illuming,
Those that have not seen the light.

Lux in tenebris, Luminary,
Glory full of truth and grace;
Let the world perceive Thy glory
And behold Thee face to face.
Apprehending, Comprehending,
Jesus, Saviour, Light of Light.



Dedication

REV. JOHN E. SLATER

Professor of Ancient Languages and Theology

FOR ELEVEN YEARS his Christian devotion to home, church, and school has been an inspiration to those conscientiously pursuing their tasks here in Bloomfield College and Seminary. To lovers of Wisdom, he has opened up his mind to give of his rich store of knowledge. To lovers of Truth, he has opened up his heart to have them join in his fellowship with Christ. To lovers of Music, he has opened up his family circle to have them share in the inspiration of the classics. To him, in grateful appreciation, we dedicate this journal.

Bloomfield, New Jersey

OFFICE OF THE PRESIDENT

TO THE CLASS OF 1943:

All education looks toward the development of self-disciplined individuals. It seeks to produce characters that need no external constraints for the right employment of their powers. Christianity puts its emphasis upon the social as well as upon the individual virtues. It views man in his relation to his fellows and calls on him to play his part in the world's corporate life.

I trust that here you have received such training and inspiration as will constrain you to act well your part in the drama of life that just now exhibits such tragic features, that you will labor for a better world and by your sacrificial and consecrated service will reflect credit on our Institution and on the religion you profess. Remember, that while you have finished your course here your education is not completed.

We shall follow you with our interest and our prayers and may the best of good fortune attend you.

Very sincerely yours,

Joseph Hunter

. . . I have given unto them the words which thou gavest me; and they have received them . . . I pray . . . for them which thou hast given me; for they are thine . . . They are not of this world . . . and for their sakes I sanctify myself.

Reorganized this year as a more dynamic department of the institution, the Seminary has become a living part of B.C.S. It is a stronger unit now and is carrying our banner to higher honors in the inter-seminary world.

"Another year to follow hard where better souls have trod;
Another year of life's delight . . . another year of God."

The Sophomore class moves slowly but surely up the road through the fields of wisdom and knowledge. Each year brings us nearer to our goal spiritually and intellectually. The pathway is steep, the laborers are few but strong!

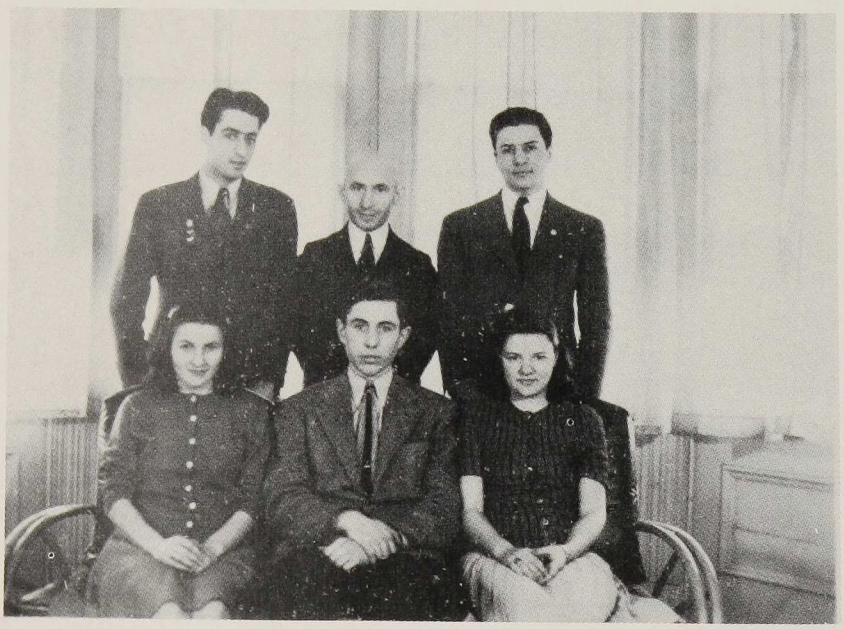
"We are but little candles in a windblown flame,
Against a bitter night;
O, God of light and hope and love,
Help us to keep alight."

Having surpassed the trials of the past year, we see the goal we hope to reach shining gloriously in the future. With great hope and strong faith we press on toward that mark despite the many hardships bestowed upon us by a world at war.



ACADEMICIANS

"Great oaks from little acorns grow."

As the years pass on we continue our earnest labors in the world of learning, striving constantly to grow in wisdom and in knowledge. Our goal ever before us, we work together as a strong source for good, pursuing and achieving.

STUDENT COUNCIL

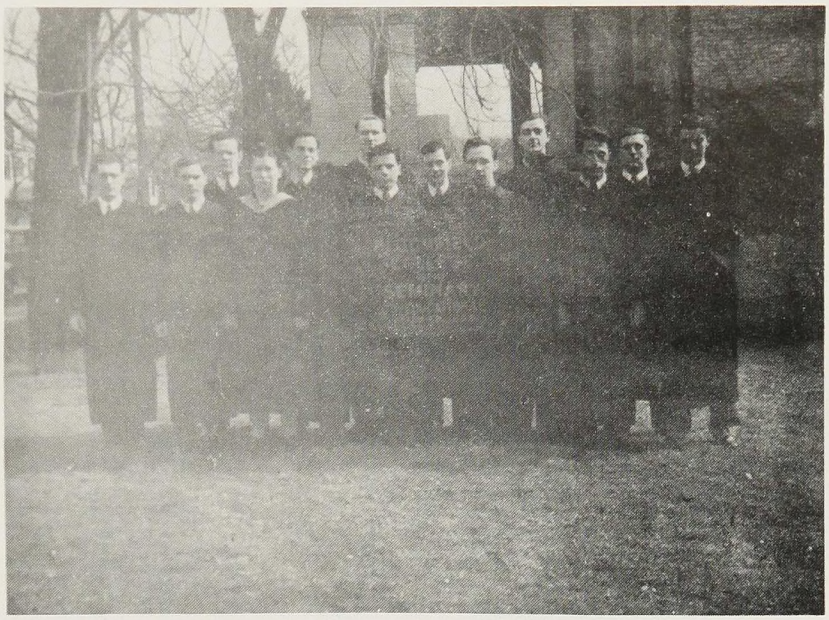
Conscientiously performing its duty the Student Council has created in our school a greater desire for mutual understanding among the scholars themselves as well as between the student body and the faculty. This group is worthy of our highest praise for its sound words of reproof and its methods of discipline.

CHOIR

"O come, let us sing unto the Lord."



President-Business Manager J. Leslie Inglis
Secretary-Treasurer.....Ernest M. Kosa
Librarian.....Paul F. Evans
Director .....Roberta Bitgood

The Choir has long been an asset to B.C.S. Again this year the lusty voices of a men's chorus reverberate through Knox Hall. Choir trips to neighboring communities have become a thing of the past, but the true spirit of music yet abides in the hearts of the singers.

FELLOWSHIP LEAGUE

"Out of the abundance of the heart the mouth speaketh."

This group is comprised of a number of students of our College and Seminary who turn away from the toil and din of day to meet once a week for a time of Christian fellowship and spiritual edification in our chapel. The Fellowship services are lead either by visiting speakers or by the students, who in their own way present a message that is close to their hearts.

MUSIC APPRECIATION GROUP

A peaceful room, an easy chair, a Sibelius tone poem, and you have the Music Appreciation Group, meeting in the parlor of Professor Slater's home. The lovers of fine music meet here each week to enjoy the music of the masters. We are indebted for this kindness..

Revived after a number of years the Arista Literary Society, through the medium of its new publication "The Arista", has helped to attain a more sincere spirit of Christian fellowship and development among the members of the student body. Through its pages have passed the expression of student and faculty thought as well as the literary achievements and contributions of the members of the society.

ITALIAN CLUB

LAMBDA RHO FRATERNITY

Lambda Rho Fraternity, always an important link in the chain of fellowship and activities of our school, has proudly carried forth its banner in scholastic competition, on the field of sports, and in Christian fellowship. It has served to bind the members of the student body into a close brotherhood by presenting an attractive service flag to the school in honor of our fellow students in the service of our country, and to foster high scholarship by offering an annual prize to the graduate with the highest scholastic rating.

The social highlights of the year were: the annual reception for new students, annual reception for new members, a wiener roast, monthly Forums, participation in inter-fraternity sports, a trip to Radio City Music Hall, and a number of small social farewell gatherings for members entering the armed services.

PHI BETA DELTA

"The home must be orderly before the country can be at peace."

Phi Beta Delta, the Sorority of B.C.S., aims at Christian fellowship amongst its members, and intellectual achievement; it works for the development of the Alma Mater. The members live in the knowledge that future world peace is in the hands of the mothers of the world; their own hands. Their education in freedom has instilled in them the desire that their children, too, shall live in freedom.

BASKETBALL

Facing a difficult schedule and handicapped by a small squad, the maroon and gold courageously carried on in typical B.C.S. manner. Many of the teams on this year's schedule were U. S. Army teams from various schools and camps. Although not completing the season as a great success the boys on the team are deserving of great praise for their hard fighting and determination.

Ping Pong is coming into its own at B.C.S. It has a greater following this year, evidenced by the enthusiasm for the tournament and the weekly Town League matches.

SOFTBALL

Although softball is considered one of our minor sports, most of the members of our student body are usually seen out on the field participating in the games. Additional interest has been created through the inter-class and inter-fraternity games. Definite plans are now underway for the first B.C.S. softball team to enter the Town League of Bloomfield where, we are certain, it will carry on in traditional B.C.S. style.

A Tribute

From all walks of life, young men and young women are leaving homes and loved ones, jobs and careers, to answer the call of our country in its time of distress. Many have left the halls of this, their Alma Mater, that those of us who remain might continue our work, and that others may fearlessly follow in the paths we tread.

We are all fighting; to them who have relinquished so much of life, we humbly pay this tribute.

God bless them, our men in the service of our country.

SCHOOLS AT WAR COMMITTEE

One of the two important school committees appointed to assist our institution and its members in their endeavors to participate in the national war effort. The "Schools At War Committee" in co-operation with the national school program has undertaken the sale of war bonds and stamps to the members of the student body and administration. The efforts of this committee resulted in 100% participation and were responsible for the receipt of a "Minute Man Flag" from the United States Treasury Department. This flag now proudly waves on our campus. By the end of the school year sales of war bonds and stamps will have reached the $6,000.00 mark.

Congratulations to B.C.S., and heartfelt thanks to the members of this committee.

SCHOOL DEFENSE AND AIR RAID PATROL COMMITTEE

Functioning in a number of different ways the Defense Committee and Air Raid Patrol Squad have brought added distinction to B.C.S. With the interest and safety of all members of the student body at heart the committee has sought to improve conditions within our school. Not satisfied with maintaining air raid and blackout regulations only, the group has gone on to rid the campus of fire hazards and to arrange the installation of proper preventative measures.

It has likewise freed better trained men for other responsibilities by patrolling civic, social, and scholastic meetings and functions throughout the town of Bloomfield in co-operation with the Bloomfield Defense Council.

SAVE to ACHIEVE VICTORY

Saving out of income, always a prudent practice, is now a patriotic duty.

V You can help the boys in service by saving rubber, metals and other materials. You can help by joining the Bloomfield Savings Victory Club to buy U. S. War Savings Bonds. Every dollar so invested is a Victory Dollar.

V You can help by saving regularly in a Savings Account. $1 is all you need to start at this Mutual Savings Bank.
